TECHNICAL SKILLS

- **Low-Code Platform:** OutSystems (Reactive Web Apps)
- **Frontend:** HTML, CSS, JavaScript, ReactJS
- **Other Skills:** Python (basic to intermediate), SQL

PROFILE

Experienced OutSystems Developer with 3+ years of hands-on expertise in building scalable, user-friendly web applications using Reactive Web apps. Proficient in end-to-end app development, integrations, and UI customization. Strong foundational skills in Python, SQL, JavaScript, and ReactJS. Passionate about expanding into full-stack development and data-driven problem solving.

WORK EXPERIENCE

Reve Cloud (formerly AspireNXT) – Remote | 2021 – Present

OutSystems Developer

- Joined as a Junior OutSystems Developer and contributed to a Vendor Management System handling multi-vendor project workflows (MMHE Cheeta2).
- Promoted to OutSystems Developer in 2024 and assigned to a large-scale ERP application (International Bearings Pte Ltd) that has been in development since 2021.
- Responsible for building and enhancing key modules, debugging complex logic, and ensuring performance optimization.
- Maintained direct client communication, actively participating in requirement discussions, clarifications, and feedback sessions.
- Worked in a fully remote environment with strong collaboration through daily team calls and consistent communication.

CERTIFICATIONS

- OutSystems Associate Reactive Web Developer Certification.
- OutSystems Associate Developer for ODC.
- AWS Cloud Practitioner (2025-2028)

EDUCATION
